County Recordors' Association of the State of California 2023 Document Reference and Indexing Manual

Are you having a problem in preparing and/or recording various legal documents associated with your real property-related transactions?

The County Recordors' Association of California has the answer. We have developed and continue to maintain the Recordors' Document Reference and Indexing Manual. It provides the user with basic document requirements, what can or cannot be recorded, and definitions common to legal documentation and the recording process.

All Sections of the Manual have been appropriately updated and document titles have been cross-indexed to provide rapid location of specific recording and indexing information.

The Recordors' Document Reference and Indexing Manual is available in hard copy only. The companion binder is no longer available. The manual will fit into a 3" ring binder.

For more information contact Melissa Garcia at Melissa.Garcia@asrclkrec.com or 951-486-7297.
